

This is what Rachel (a Messy Church mum and her daughter wrote about Messy Church)

"Messy church was a fun way to round off our week. It was a mix of storytelling, singing, activities and then dinner. Everyone was super friendly, and it was great to see so many children from the local schools joining together to have fun. As a family we were warmly welcomed and encouraged to explore all the different activities available. The activities were engaging, and all based around the parable of the lost sheep. The session ended with the children having a hot home-cooked dinner, which they all seemed to enjoy.

Hi I'm Ruby, I'm in year 1 at Durley primary school. I went to Messy church for the first time with my 2 year old twin sisters and we all had a great time. We especially liked watching the video about the lost sheep, then being able to make our own sheep biscuits and woolly sheep. The dinner was a yummy cottage pie with chocolate brownies for pudding. We can't wait to go again. "
